

“Attention”

Due to a very recent proposal by our current Waste removal company to raise fees by 75% Starting Monday Oct 2nd, Our regular trash service will switch from Waste Management to Stanley Contracting . The New Pickup days will be Mondays and Thursdays with a mid morning pickup time.

Please note this will NOT affect the recycling schedule, that will remain as is as it is a Township scheduled service.

Please see below for details on service:

- Solid waste garbage will be picked up at each of the Three hundred and thirty (330) units and the Clubhouse building every Monday and Thursday.
- Trash will not be picked up in the event of severe weather conditions or if the scheduled pick up day falls on a holiday where the Ocean County landfill is closed. In the event of either of these situations, the pickup will take place on the following day.
- Ocean County Landfill recognizes (8) holidays that are subject to change but currently are as follows: New Years Day, MLK Day, Presidents Day, Memorial Day, 4th of July, 1 Labor Day, Thanksgiving and Christmas.
- Household garbage is defined as 1-5 bags of household garbage depending on the size; A reasonable amount of garbage that would be generated at the unit since prior picked up.
- All garbage must be bagged and placed in receptacles.
- Construction materials and large bulk items will not be picked up.
- Yard debris such as sticks, pine cones, needles, pavers, concrete, etc. will not be picked up.
- Any recyclable materials will not be picked up.
- All trash will be taken via compactor truck to the Ocean County Landfill during normal business hours.
- Employees shall be identified by hats and/or shirts to be supplied by the contractor.
- Employees shall be courteous. No loud or abusive language or behavior will be tolerated
- Employees will pick up and/or clean any refuse spilled or dropped during the performance of their work.
